

## **Madness all around**

Could it be  
That everything I see  
Is in your head?  
Is that the reason why im mad?

My whole life  
Is an eternal strife!  
Can u feel  
That my life's a spinning wheel  
That never stops  
That always moves in loops?

Should I stay?  
Or should I take the way  
to the door  
Behind which is nothing more?  
What I seek  
Is like a blank unreachable peak!

There is nothing but madness in my head!  
A place where nothing but madness is spread!  
I am not me anymore!  
Madness weaks me like a sore!

I feel so good!  
I need some food!  
What shall I do?  
I am a fool!  
No I'm the one  
Who need some ham!  
I am not mad!  
Which chance I had?  
Am I dead?  
Or alive?  
I take my knife  
To end this life!

Is this Madness?  
Yeah more or less!  
It doesnt feel so!  
Can YOU feel bro?  
I thought I could!  
Who said you should?

Wasnt it my head?

No you are dead!

No im not!

I'm not shot!

U know what?

I got swat!

No, no wait!

I hate hate!

I'm not done!

I lifted the gun!

Did you notice? I did

And the police? I did

That wasnt me! Sure

It was Madnessy! Sure

Whom am i talking to?

Who is the fcking „YOU“?

Is it waiting to kill?

I should take the pill!

NO i will fight!

YES you hear right!

I wont give up!

You bloody Nap!

You will loose!

Can I choose?

What you have spoken?

Yes take it as a token!

This cant be true!

Sure cause I am you!
