

When I'm thinking of your music ~ music of Nick Howard

When I'm thinking of your music.....

I put on your music plate
In my thoughts I can hear a `great!`

The sound goes into my head,
emotional texts and breathtaking sounds met.

Which great singer is singing this song....?
to him a beautiful talent belongs.

I hear every sound,
perfect music which I found.

I hear song after song,
and my heard goes with it along.

It goes into my heard
and my mind goes apart

The happiness makes me cry a little bit,
the beautiful music is where my head goes with.

It transferes me in a other world,
I hear the text word after word.

I am so happy that I can hear music like this,
I don't ever want to miss.

This is what I love,
and my feelings go above.

This music is a present for everyone.
So much hearts you have already won.

Never let your talent go,
your Fans will always love you

- thats what you have to know.
