

Chivalry

Whatever happened to chivalry? Does it only exist in 80's movies? I want John Cusack holding a boombox outside my window. I wanna ride off on a lawnmower with Patrick Dempsey. I want Jake from Sixteen Candles waiting outside the church for me. I want Judd Nelson thrusting his fist into the air because he knows he got me. Just once I want my life to be like an 80's movie, preferably one with a really awesome musical number for no apparent reason. But no, no, John Hughes did not direct my life.
