

Little Strange Girl

Little Strange Girl begins to CRY
hangin' in the corner, waitin' for
Someone.

People walk past, murmur: look
this Stupid Little Strange Girl,
cryin' in the corner.
Sittin' there all day, belivin'
Someone is comin' . This
Stupid Naive Clumsy.

People walk past, withOUT to notice
that tears of sorrow. Whisper
without to know that this
LITTLE Strange Girl
listen to
Each Word.

Look!
Little Strange GIRL
is hangin' in the corner,
waitin' for
Someone.
This Little Stupid Strange Naive Clumsy...

Am I acceptable for you now?
