

## **Mein freier Tag - A day off**

We gonna sleep tonight under an oak tree  
Through sheltering branches we will see  
The firmament with all his glance  
The spirits during their night dance  
We gonna sleep tonight under an oak tree

In the morning waking up with all the birds  
Silently, renouncing words  
We walk together through the woods  
And taste the day with all his goods  
In the morning waking up with all the birds

We swim together in the nearby lake  
Enjoy the water, make a break  
On the meadow, we smell the grass  
Through the sky the white clouds pass  
We swim together in the near by lake

When it get's dark, we light a fire  
We sing, narrate and we admire  
Mother Nature's gorgeous dress  
Father Heaven's splendid bless  
When it get's dark, we light a fire
