

Ghost (Prod. By FTH & Khronos Beats) (Hörprobe)

[Hook:]

I am a ghost

On the low light streets

I am a ghost

My flow like G's

I am a ghost

Don't smokin' trees

I am a ghost

I show my peace (x2)

[Verse:]

This is my first try, see the game

Go a hard way, i feel the pain

I make oldschool hiphop like westcoast

And i show this in my next post

Yeah, Real G is a Real G

Only loyal people in my team

Heh, i am a good rapper with bad thoughts

My lines and rhymes are headnuts

I am strong and so hungry man

My voice so low like a Lambo Hura?an
