

Exhausted

They don't understand my pain...

They don't know how it feels...

My feelings gone crazy...

I played my life...

The rules were tricky...

But I stand through...

Now I'm down...

I'm sitting on the floor...

Exhausted...

The cards are mixed...

I scream...

Scream out of me...

Holding my face with my hands...

The tears make my skin wet...

I doesn't mind...

Only looking out of the window...

It's dark outside...

Dark like inside my heart...
