

Falling

Falling in a hole/
Nothing I can see/
In darkness I will fade/
Lose me in the deep/

I'm feeling so tired/
Feeling so helpless/
Lost in my illusions/
Waiting for an end/
I'm feeling so awful/
Feeling so hopeless/
Lost in my imaginations/
Confusing in my head/

And all the pain I know/
Will never let me go/

Falling in a hole/
Nothing I can see/
In darkness I will fade/
Lose me in the deep/

I'm feeling so empty/
Feeling so faithless/
The surface is broken/
Trying to runaway/
I'm feeling so desperate/
Feeling so groundless/
The surface is damaged/
I'm losing out myself/

And all the pain I know/
Will never let me go/

Falling in a hole/
Nothing I can see/
In darkness I will fade/
Lose me in the deep/

Falling in a hole/
Nothing I can see/
In darkness I will fade/
Lose me in/
Lose me in the deep
