

PLEASE DON'T FUCK ME

Please don't fuck me boy
I'm not your fucking toy
Please don't fuck me bitch
I'm not a fucking glitch
Please fuck you bitch
You are a witch
With a bigger glitch
Is that your fucking shit!?
Please shut up you're a bitch
Please shut up,you just talk shit
Don't talk shit about my live
I can do whatever I like
I believe here in my live
You can't do this in your drive
Please shut up and give me five
I'm rich and you are a bitch
Shut up and don't talk shit
Or I give you a hit
Please don't fuck me bitch
I'm not your fucking bitch
shut up bitch
shut up and call me rich
shut up you fucking bitch
I'm not your shit
Please don't tell me Bitch
