

Fading in the dark

I had so many things to say/
So many thoughts in my head/
But I can't sort out the words/
I wanna scream so loud/
'Cause I don't wanna go/
But the time has come/
(The time has come)

'Cause we both know exactly/
This is no never ending story/
I'm so sorry/
But the end is coming/

I feel the pain/
When I leave/
When we're fading in the dark/
But I know/
I have to go/
'Cause we're fading in the dark/

I don't know what's happened/
I don't know what I can say/
I don't wanna leave, but i can't stay/
I'm living in my head/
Walking up and down/
Our time has come/
(The time has come)

'Cause we both know exactly/
This is no never ending story/
I'm so sorry/
But the end is coming/

I feel the pain/
When I leave/
When we're fading in the dark/
But I know/
I have to go/
'Cause we're fading in the dark/

The sun goes down/
And every day is ending/
The sun rises up/
And every night is ending/
Every day a new beginning/

I feel the pain/
When I leave/
When we're fading in the dark/
But I know/
I have to go/
'Cause we're fading in the dark/

The sun goes down/
When we're fading in the dark/
The sun rises up/
But we're fading in the dark/

I feel the pain/
When I leave/
When we're fading in the dark/
But I know/
I have to go/
'Cause we're fading in the dark
