

## **wine from my tears**

You`re the best  
thing in years.

You made wine  
from my tears.

There`s no one  
like you

changed my life  
out of the blue.

Vers 2:

Take me home  
I am here

No bitter feelings  
nothing to fear

The end  
of bitter years.

Cause  
you made  
wine...

...from my tears

bridge:

they looked me in the eyes  
told me  
„we love you like a son“.

Then they left me in the rain  
to prove  
I am not the chosen one

Refrain:

You pulled me out  
of heavy rain.

On the way home  
you ride the train.

I can't remember  
from where i came

you made wine  
from my pain.

Your words have wings  
my soul got ears

you made wine  
from my tears

Vers 3

you're the one  
i belong

I am a line  
of your song.

Spin me round  
for years an years

make more wine  
from my tears

Vers 4

Don't be shy  
flip the switch

I'm your King  
be my witch.

Play upon  
my darkest fears

and make wine  
from my tears

bridge:

they looked me in the eyes

told me

„you`re not, where you belong“

then they left me in the cold

to prove

I am a fool,

i got it wrong

Refrain:

You pulled me out

of heavy rain.

On the way home

you ride the train.

I can`t remember

from where i came

you made wine

from my pain.

Your words have wings

my soul got ears

and you made wine

from my tears
